

**"Acquired Assets"**), free and clear of all claims, liens, encumbrances and other interests, except for certain permitted encumbrances (specifically as set forth and defined in the APA, the **"Permitted Encumbrances"**) and whereby the Sellers have agreed to transfer and the Purchaser has expressly agreed to assume certain of the Sellers' liabilities (specifically as set forth and defined in the APA, the **"Assumed Liabilities"**) (collectively, and including all actions taken or required to be taken in connection with the implementation and consummation of the APA, the **"Transactions"**);

- (iii) the assumption and assignment to the Purchaser of certain executory contracts and unexpired leases designated for assumption and assignment as Purchased Contracts in accordance with this Order and the APA (collectively, the **"Purchased Contracts"**); and
- (iv) other related relief;

and the Court having entered an order approving bid procedures and granting certain related relief on November 19, 2015 [Docket No. 262], as such order was subsequently amended by the Court on December 16, 2015 [Docket No. 281] and on January 13, 2016 [Docket No. 307] (collectively, the **"Bidding Procedures Order"**); and the Purchaser having submitted the highest and/or best offer for the Acquired Assets pursuant to the terms of the APA, a copy of which is attached hereto as **Exhibit A**; and the Court having conducted a hearing on the Motion on January 21, 2016 (the **"Sale Hearing"**) at which time all interested parties were offered an opportunity to be heard with respect to the Motion; and the Court having reviewed and considered the Motion, the APA, the Bidding Procedures Order, the record of the hearing before the Court at which the Bidding Procedures Order was approved and all objections to the Transactions and the APA filed in accordance with the Bidding Procedures Order; and the appearance of all interested parties and all responses and objections to the Motion having been duly noted in the record of the Sale Hearing; and upon the record of the Sale Hearing, including the evidence presented in support of the relief requested in the Motion at the Sale Hearing; and upon all of the proceedings conducted before the Court, and all objections and responses to the relief requested in the Motion having been heard and overruled, continued or resolved on the

terms set forth in this Order, and it appearing that due notice of the Motion, the APA and the Bidding Procedures Order having been provided; and it appearing that the relief requested in the Motion is in the best interests of the Debtor, its estate, its creditors and all other parties in interest; and it appearing that the Court has jurisdiction over this matter; and it further appearing that the legal and factual bases set forth in the Motion and at the Sale Hearing establish just cause for the relief granted herein; and after due deliberation thereon,

**THE COURT EXPRESSLY FINDS AS FOLLOWS:<sup>3</sup>**

**Jurisdiction, Venue and Final Order**

A. This Court has jurisdiction to hear and determine the Motion pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b)(2) (A), (N) and (O). Venue is proper in this District and in this Court pursuant to 28 U.S.C. §§ 1408 and 1409.

B. This Order constitutes a final and appealable order within the meaning of 28 U.S.C. § 158(a). Notwithstanding Bankruptcy Rules 6004(h) and 6006(d) and 7062, and to the extent necessary under Bankruptcy Rule 9014 and Rule 54(b) of the Federal Rules of Civil Procedure, as made applicable by Bankruptcy Rule 7054, this Court expressly finds that there is no just reason for delay in the implementation of this Order and expressly directs entry of this Order as set forth herein.

**Notice of the Transactions, the APA, the Sale Hearing and the Cure Costs**

C. On April 17, 2015 (the "**Petition Date**"), the Debtor commenced a case by filing a voluntary petition for relief under chapter 11 of the Bankruptcy Code. Since the Petition Date,

---

<sup>3</sup> All findings of fact and conclusions of law announced by the Court at the Sale Hearing in relation to the Motion are hereby incorporated to the extent not inconsistent herewith.

the Debtor has continued in possession and management of its businesses and properties as debtor-in-possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code.

D. As evidenced by the certificates of service and publication previously filed with this Court, and based on the record at the Sale Hearing, due, proper, timely, adequate and sufficient notice of the Motion, the Sale Hearing, the APA and the Transactions has been provided in accordance with sections 102(1), 363 and 365 of the Bankruptcy Code, and Bankruptcy Rules 2002, 6004, 6006 and 9014. The Debtor has complied with all obligations to provide notice of the Motion, the Sale Hearing, the APA and the Transactions as required by the Bidding Procedures Order. The aforementioned notices are good, sufficient and appropriate under the circumstances, and no other or further notice of the Motion, the Sale Hearing, the APA or the Transactions is or shall be required, except with respect to the Additional Parties.

E. A reasonable opportunity to object or to be heard regarding the relief requested in the Motion was afforded to all interested persons and entities.

F. The Debtor has served a notice (as amended, modified or otherwise supplemented from time to time, the "**Contract Notice**") of the potential assumption and assignment of the Purchased Contracts and of the Cure Costs upon each non-Debtor counterparty to a Purchased Contract, except for Pancanaven Global, S.A. and Baraven (the "**Additional Parties**"), which shall be provided notice of the assumption and assignment of their contracts with the Debtor and the proposed Cure Costs for their contracts pursuant to the procedures set forth in this Order. As evidenced by the certificates of service and publication previously filed with this Court, and based on the record at the Sale Hearing, the service and provision of the Contract Notice was good, sufficient and appropriate under the circumstances and no further notice is or shall be

required in respect of assumption and assignment of the Purchased Contracts or establishing a Cure Cost for the respective Purchased Contracts.

G. Non-Debtor counterparties to the Purchased Contracts have had an adequate opportunity to object to or to be heard regarding assumption and assignment of the applicable Purchased Contracts and the Cure Cost set forth in the Contract Notice (including objections related to the adequate assurance of future performance and objections based on whether applicable law excuses the non-Debtor counterparty from accepting performance by, or rendering performance to, the Purchaser for purposes of section 365(c)(1) of the Bankruptcy Code). The deadline to file an objection to the assumption and assignment to the Purchaser of any Purchased Contract other than with respect to the Additional Parties (a "**Contract Objection**") has expired, and to the extent any such party timely filed a Contract Objection, all such Contract Objections have been resolved, withdrawn, overruled, or continued to a later hearing by agreement of the parties. To the extent that any such party did not timely file a Contract Objection by the Contract Objection deadline, such party is deemed to have consented to (i) the assumption and assignment of the Purchased Contracts pursuant to the terms of this Order; and (ii) the proposed Cure Cost set forth on the Contract Notice.

#### **Marketing Process**

H. As demonstrated by the evidence proffered or adduced at the Sale Hearing, the Sellers and their representatives have complied in all respects with the Bidding Procedures Order, as modified and supplemented. The Sellers and their professionals have, under the circumstances, adequately and appropriately marketed the Acquired Assets. The Sellers (i) provided potential purchasers, upon request, sufficient information to enable them to make an informed judgment on whether to bid on the Acquired Assets and (ii) considered any bids submitted on or before the deadline established by the Court for the submission of bids.

I. The Purchaser is the Successful Bidder for the Acquired Assets in accordance with the Bidding Procedures Order and pursuant to the terms of the APA and this Order. The Purchaser and its representatives have complied in all respects with the Bidding Procedures Order, as modified and supplemented, and all other applicable orders of this Court in negotiating and entering into the APA, and the sale and the APA likewise comply with the Bidding Procedures Order and all other applicable orders of this Court.

**Highest or Otherwise Best Offer; Business Judgment**

J. The APA, including the form and total consideration to be realized by the Debtor under the APA, (i) constitutes the highest and best offer received by the Debtor for the Acquired Assets; (ii) is fair and reasonable; and (iii) is in the best interests of the Debtor, its estates, its creditors and all other parties in interest.

K. The Debtor's determination that the consideration provided by the Purchaser under the APA constitutes the highest or otherwise best offer for the Acquired Assets constitutes a valid and sound exercise of the Debtor's business judgment.

L. Consistent with its fiduciary duties, the Debtor has demonstrated good, sufficient and sound business reasons and justifications for entering into the Transactions and the performance of its obligations under the APA, including, but not limited to, the fact that (i) the consideration provided by the Purchaser under the APA will provide a greater recovery for the Debtor's estates than would be provided by any other available alternative, including a separate liquidation of the Acquired Assets; and (ii) unless the sale is concluded expeditiously as provided for in the Motion and pursuant to the APA, recoveries of creditors will be diminished.

**Good Faith; Arms' Length Sale**

M. The sales process engaged in by the Debtor's and the Purchaser, including, without limitation, the Bidding Procedures set forth in the Bidding Procedures Order and the

negotiation of the APA, was at arms' length, non-collusive, in good faith, and substantively and procedurally fair to all parties.

N. The Debtor's and the Purchaser and their respective representatives have complied, in good faith, in all respects with the Bidding Procedures Order.

O. The Purchaser is a good faith buyer within the meaning of section 363(m) of the Bankruptcy Code, and are therefore entitled to the full protection of that provision, and otherwise has proceeded in good faith in all respects in connection with this proceeding. Neither the Debtor nor the Purchaser has engaged in any conduct that would prevent the application of section 363(m) of the Bankruptcy Code.

P. The APA and the Transactions contemplated thereunder were proposed, negotiated and entered into by and between the Debtor and the Purchaser without collusion, and neither the Debtor nor the Purchaser has engaged in any conduct that would cause or permit the APA or the Transactions to be avoided, or costs or damages to be imposed, under section 363(n) of the Bankruptcy Code.

Q. The form and total consideration to be realized by the Debtor under the APA constitutes fair value, fair, full and adequate consideration, reasonably equivalent value and reasonable market value for the Acquired Assets.

#### **Corporate Authority**

R. The Debtor has (i) full corporate or other power to execute, deliver and perform its obligations under the APA and all other Transactions contemplated thereby, and entry into the APA has been duly and validly authorized by all necessary corporate or similar action; (ii) all of the corporate or other power and authority necessary to consummate the Transactions contemplated by the APA; and (iii) taken all actions necessary to authorize and approve the APA

and the Transactions contemplated thereby. No consents or approvals, other than those expressly provided for herein or in the APA, are required for the Debtor to consummate such Transactions.

**Section 363 Is Satisfied**

S. The Acquired Assets (other than the Acquired Assets owned by the Diverse Debtors) constitute property of the Debtor's estate and exclusive title thereto is presently vested in the Debtor's estate within the meaning of section 541(a) of the Bankruptcy Code.

T. The sale of all Acquired Assets to the Purchaser under the terms of the APA meets the applicable provisions of section 363(f) of the Bankruptcy Code such that the sale of the Acquired Assets will be free and clear of any and all Liens, and except as expressly provided in the APA with respect to Permitted Encumbrances and Assumed Liabilities, the (i) transfer of the Acquired Assets to the Purchaser and (ii) assumption and/or assignment of the Purchased Contracts to the Purchaser will be free and clear of all Liens and will not subject the Purchaser or any of the Purchaser's assets to any liability for any Liens whatsoever (including, without limitation, under any theory of equitable law, antitrust, setoff, or successor or transferee liability). All holders of Liens who did not object, or withdrew their objections to the Transactions, are deemed to have consented to the Transactions pursuant to section 363(f)(2) of the Bankruptcy Code. All holders of Liens are adequately protected — thus satisfying section 363(e) of the Bankruptcy Code — by either receiving a portion of the cash proceeds pursuant to paragraphs 11 and 12 of this Order or having their Liens, if any, attach to the remaining cash proceeds of the Transactions ultimately attributable to the property against or in which they assert a Lien or other specifically dedicated funds or assets of the estates on which they have Liens, in the same order of priority and with the same validity, force and effect that such Lien holder had prior to the Transactions, subject to any rights, claims and defenses of the Debtor or its estates, as applicable, or as otherwise provided herein; provided, however, that

setoff rights will be extinguished to the extent there is no longer mutuality after the consummation of the Transactions.

U. The Purchaser would not have entered into the APA and would not consummate the Transactions, thus adversely affecting the Debtor, its estates, creditors, employees and other parties in interest, if the sale of the Acquired Assets was not free and clear of all Liens or if the Purchaser would, or in the future could, be liable for any Liens, including, without limitation and as applicable, certain liabilities that expressly are not assumed by the Purchaser as set forth in the APA or in this Order. The Purchaser asserts that it will not consummate the Transactions unless the APA specifically provides, and this Court specifically orders, that none of the Purchaser, its assets or the Acquired Assets will have any liability whatsoever with respect to, or be required to satisfy in any manner, whether at law or in equity, whether by payment, setoff or otherwise, directly or indirectly, any (i) Lien; or (ii) any successor or transferee liability for any of the Sellers other than the Permitted Encumbrances and Assumed Liabilities.

V. The Purchaser is not a successor to the Sellers or their respective estates by reason of any theory of law or equity, and neither the Purchaser nor any of its affiliates shall assume or in any way be responsible for any liability or obligation of any of the Sellers or their respective estates, except as otherwise expressly provided in the APA or this Order. The Purchaser is not a continuation of the Sellers or their respective estates and there is no continuity between the Purchaser and the Sellers. The Purchaser is not holding itself out to the public as a continuation of the Sellers or their respective estates and the Transactions do not amount to a consolidation, merger or *de facto* merger of the Purchaser and the Sellers.

W. The transfer of the Acquired Assets to the Purchaser under the APA will be a legal, valid and effective transfer of all of the legal, equitable and beneficial right, title and

interest in and to the Acquired Assets free and clear of all Liens (other than Permitted Encumbrances and Assumed Liabilities). The transfer of the Acquired Assets to the Purchaser will vest the Purchaser with good and marketable title to the Acquired Assets.

X. There is no legal or equitable reason to delay the Transactions. The Transactions must be approved and consummated promptly in order to preserve the value of the Debtor's assets. All factual predicates to the waiver of any stay of this Order under Bankruptcy Rules 6004(h) and 6006(d) have been satisfied.

Y. The Debtor has demonstrated both (i) good, sufficient and sound business judgment, purposes and justifications; and (ii) compelling circumstances for the Transactions pursuant to section 363(b) of the Bankruptcy Code prior to, and outside of, a plan of reorganization in that, among other things, absent the immediate consummation of the Transactions, the value of the Debtor's assets will be harmed. To maximize the value of the Acquired Assets, it is essential that the Transactions occur within the timeframe set forth in the APA. Time is of the essence in consummating the Transactions.

Z. Entry into the APA and consummation of the Transactions do not constitute a *sub rosa* chapter 11 plan.

**Assumption and Assignment of the Purchased Contracts**

AA. The assumption and assignment of the Purchased Contracts (as such Purchased Contracts may be amended, supplemented or otherwise modified prior to assumption and assignment without further order of the Court with the consent of the Debtor, the contract counterparty and the Purchaser) that are designated for assumption and assignment pursuant to the terms of this Order and the APA is integral to the APA, does not constitute unfair discrimination, is in the best interests of the Debtor, its estates, its creditors and all other parties

in interest, and represents the reasonable exercise of sound and prudent business judgment by the Debtor.

BB. The Debtor has met all requirements of section 365(b) of the Bankruptcy Code for each of the Purchased Contracts. Except with respect to disputed Cure Costs as provided in paragraph 2 herein below, the Purchaser, pursuant to the APA, has (a) cured and/or provided adequate assurance of cure of any default existing prior to the Closing under all of the Purchased Contracts, within the meaning of section 365(b)(1)(A) of the Bankruptcy Code; and (b) provided compensation or adequate assurance of compensation to any counterparty for actual pecuniary loss to such party resulting from a default prior to the Closing under any of the Purchased Contracts, within the meaning of section 365(b)(1)(B) of the Bankruptcy Code. Each of the Purchased Contracts is free and clear of all Liens against the Purchaser.

CC. The Purchaser has demonstrated adequate assurance of its future performance under the relevant Purchased Contracts within the meaning of sections 365(b)(1)(C) and 365(f)(2)(B) of the Bankruptcy Code. Pursuant to section 365(f) of the Bankruptcy Code, the Purchased Contracts to be assumed and assigned under the APA shall be assigned and transferred to, and remain in full force and effect for the benefit of, the Purchaser notwithstanding any provision in the contracts or other restrictions prohibiting their assignment or transfer.

DD. No monetary or non-monetary defaults exist in the Debtor's performance under the Purchased Contracts as of the date of this Order other than the failure to pay amounts equal to the Cure Costs or defaults that are not required to be cured as contemplated in section 365(b)(1)(A) of the Bankruptcy Code. In accordance with the terms set forth in the APA

and this Order, the Purchaser shall pay the Cure Costs, if any, for each of the Purchased Contracts.

**THEREFORE, IT IS HEREBY ORDERED THAT:**

**General Provisions**

1. The Motion is granted to the extent provided herein.

2. Any objections to the Motion or the relief requested therein that have not been withdrawn, waived or settled, and all reservations of rights included therein, are hereby overruled on the merits and denied with prejudice; provided, however, that the unresolved objection of M4 Sales and Equipment, LLC to the assumption and assignment of its contracts and the proposed disputed Cure Costs shall be adjourned and heard by the Court on March 14, 2016 at 2:00 p.m. (Central Time) or at such other date and time as may be fixed by this Court (the "**Cure Hearing**") to the extent not resolved prior to the Cure Hearing.

3. The findings and conclusions set forth herein constitute the Court's findings of fact and conclusions of law pursuant to Bankruptcy Rule 7052, made applicable to this proceeding pursuant to Bankruptcy Rule 9014. To the extent any of the findings of fact constitute conclusions of law, they are adopted as such. To the extent any of the following conclusions of law constitute findings of fact, they are adopted as such.

**Approval of the APA**

4. The APA, all the terms and conditions thereof, and consummation of all of the Transactions contemplated therein, are authorized and approved in all respects pursuant to section 363(b) of the Bankruptcy Code.

5. The Debtor and its chief reorganization officer, employees and agents are authorized and directed to (a) take any and all actions necessary, appropriate or reasonably requested by the Purchaser to perform, consummate, implement and close the Transactions,

including, without limitation, (i) the sale of all Acquired Assets to the Purchaser in accordance with the terms and conditions set forth in the APA and this Order; (ii) the performance of its obligations under the APA and related agreements; and (iii) executing, acknowledging and delivering such deeds, assignments, conveyances and other assurance, documents and instruments of transfer and taking any action for purposes of assigning, transferring, granting, conveying and confirming to the Purchaser, or reducing to possession, the Acquired Assets; and (b) to assume and assign any and all Purchased Contracts.

**Sale and Transfer Free and Clear of Liens**

6. Except as otherwise expressly provided in the APA and the terms of this Order with respect to the Permitted Encumbrances and the Assumed Liabilities, pursuant to sections 105(a) and 363(f) of the Bankruptcy Code, the Acquired Assets shall be sold free and clear of all Liens, whether arising prior to or subsequent to the commencement of the Sellers' chapter 11 cases, and whether imposed by agreement, law, equity or otherwise. All such Liens shall attach to the remaining cash proceeds of the Transactions following the payments to Coyote Capital Management, LLC ("**Coyote**") and Alerus Financial, N.A. ("**Alerus**") pursuant to paragraphs 11 and 12 of this Order, with the same validity, force, priority and effect which they now have as against the Acquired Assets, subject to any claims and defenses the Sellers may possess with respect thereto.

7. At Closing, all of the Debtor's right, title and interest in and to, and possession of, the Acquired Assets shall be immediately vested in the Purchaser, pursuant to sections 105(a), 363(b), 363(f) and 365 of the Bankruptcy Code free and clear of any and all Liens, except for Permitted Encumbrances and Assumed Liabilities. Such transfer shall constitute a legal, valid, binding and effective transfer of, and shall vest the Purchaser with good and marketable title to, the Acquired Assets. All person or entities, presently or on or after the Closing, in possession of

some or all of the Acquired Assets are directed to surrender possession of the Acquired Assets to the Purchaser or its designees on the Closing or at such time thereafter as the Purchaser may request.

8. This Order is and shall be binding upon and govern the acts of all entities, including, without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, registrars of patents, trademarks or other intellectual property, administrative agencies, governmental departments, secretaries of state, federal and local officials and all other persons and entities who may be required by operation of law, the duties of their office or contract, to accept, file, register or otherwise record or release any documents or instruments; and each of the foregoing persons and entities is hereby authorized and directed to accept for filing any and all of the documents and instruments necessary and appropriate to consummate the Transactions contemplated by the APA. The Acquired Assets are sold free and clear of any reclamation rights.

9. Except as otherwise expressly provided in the APA and this Order with respect to Permitted Encumbrances and Assumed Liabilities, all persons and entities (and their respective successors and assigns), including, but not limited to, all debt security holders, equity security holders, affiliates, governmental, tax and regulatory authorities, lenders, customers, vendors, employees, trade creditors, litigation claimants and other creditors holding Liens against the Sellers or the Acquired Assets arising under or out of, in connection with, or in any way relating to, the Sellers, the Sellers' predecessors or affiliates, the Acquired Assets, the ownership, sale or operation of the Acquired Assets and the Sellers' business prior to Closing or the transfer of the Acquired Assets to the Purchaser, are hereby forever barred, estopped and permanently enjoined from asserting such Liens against the Purchaser, its successors or assigns, its property or the

Acquired Assets. Following the Closing, no holder of any Lien shall interfere with the Purchaser's title to or use and enjoyment of the Acquired Assets based on or related to any such Lien, or based on any action the Sellers may take in their chapter 11 cases.

10. If any person or entity that has filed financing statements, mortgages, mechanic's Liens, *lis pendens* or other documents or agreements evidencing Liens against or in the Acquired Assets shall not have delivered to the Debtor prior to the Closing of the Transactions, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all Liens (other than the Permitted Encumbrances and Assumed Liabilities) that the person or entity has with respect to the Acquired Assets, (a) the Purchaser is hereby authorized to file, register or otherwise record a certified copy of this Order, which, once filed, registered or otherwise recorded, shall constitute conclusive evidence of the release of all such Liens against the Purchaser and the applicable Acquired Assets; and (b) the Purchaser may seek in this Court or any other court to compel appropriate parties to execute termination statements, instruments of satisfaction and releases of all such Liens with respect to the Acquired Assets. This Order is deemed to be in recordable form sufficient to be placed in the filing or recording system of each and every federal, state, or local government agency, department or office. Notwithstanding the foregoing, the provisions of this Order authorizing the sale and assignment of the Acquired Assets free and clear of Liens shall be self-executing, and none of the Sellers nor the Purchaser shall be required to execute or file releases, termination statements, assignments, consents or other instruments in order to effectuate, consummate and implement the provisions of this Order.

#### **Distribution of Sale Proceeds**

11. From the cash proceeds at the Closing of the Transactions, the Sellers shall pay to Coyote the sum of \$2,283,589.47 plus per diem interest of \$612.55 from January 19, 2016

through the date of payment in full and final satisfaction of any and all liens, claims and/or encumbrances of any kind held or possessed by Coyote against the Sellers and their respective bankruptcy estates.

12. From the cash proceeds at the Closing of the Transactions, the Sellers shall pay to Alerus the sum of \$2,250,000.00 in full and final satisfaction of any and all liens, claims and/or encumbrances of any kind held or possessed by Alerus against the Sellers and their respective bankruptcy estates, except Alerus reserves any pre-petition unsecured non-priority claim that it may hold against the Sellers. After the payments at Closing of the Transactions to Coyote, Alerus and SSG (pursuant to paragraph 14 below), the Sellers shall retain the remainder of the cash sale proceeds from the Transactions pending further application and order of this Court, after notice and opportunity for a hearing. Coyote and Alerus shall only receive one satisfaction from the Transactions notwithstanding the entry of similar orders in the Sellers' bankruptcy cases.

13. As reflected in the Joint Stipulation and Agreed Order Regarding Use of cash Collateral and Adequate Protection (Docket No. 229), Alerus has a perfected security interest against all of the assets sold by the Diverse Debtors as a part of the Transactions subject only to tax liens and Coyote's DIP liens. Pursuant to that certain Agreed Final Order Approving Post-Petition Financing, Continuing Cash Collateral Usage And Notice Of Final Hearing entered in the Debtor's bankruptcy case on October 28, 2015 (Dkt. No. 232) (the "**DIP Order**"), Alerus was granted a perfected security interest in the amount of \$500,000 against all tangible assets of the Debtor and sold by the Debtor as part of the Transactions, subject only to tax liens, Coyote's DIP Liens and any other exceptions expressly set forth in the DIP Order. Consequently, after the payment of Coyote, Alerus and SSG per the terms of this Order, all of the remaining cash

proceeds from the Closing of the Transactions shall constitute the cash collateral of Alerus ("**Alerus Cash Collateral**"). To facilitate the consummation of the Transactions, Alerus has agreed to a carveout from, and a surcharge against pursuant to 11 U.S.C. § 506(c), the Alerus Cash Collateral to allow the payment of the following fees and expenses of the Sellers' bankruptcy estates from the Alerus Cash Collateral, and in the following order of priority: First, to pay all allowed fees and expenses of any Court approved professionals employed by any of the Sellers and any official unsecured creditors' committee, as well as any fees owing to the United States Trustee; and second, to pay all other costs of sale arising out of the Transactions which are the subject of this Order, including all costs and expenses to close the Transactions, or third, as otherwise ordered by the Court.

14. In addition, after the payment of Coyote, Alerus and SSG per the terms of this Order, Alerus shall be deemed to have released, and shall assert no lien or claim against, the following property:

- (i) the real property, building and improvements located at 1506 W. Broadway, Hobbs, New Mexico 88240;
- (ii) the Diverse Debtors' and the Debtor's claims and causes of action, including all legal malpractice claims, against David Sloan or the firm of Sloan & Mayer, LLP, or any partner, affiliate or associate thereof; and
- (iii) any claim by the Diverse Debtors against Rouly, Inc., including any right to payment by the Diverse Debtors from Rouly, Inc.

15. The Debtor shall pay to SSG Advisors, LLC and Chiron Financial Group, Inc. (collectively "**SSG**") the sum of \$150,000 from the cash proceeds at the Closing from the Transactions in satisfaction of the fees and expenses owing to SSG as authorized by prior order of this Court. The Diverse Debtors shall immediately pay to SSG the sum of \$400,000 plus any outstanding expenses from the cash proceeds at the Closing from the Transaction, in full satisfaction of the fees and expenses owing to SSG.

**No Successor or Transferee Liability**

16. The Purchaser shall not be deemed, as a result of any action taken in connection with the APA, the consummation of the Transactions contemplated by the APA, or the transfer or operation of the Acquired Assets to (a) be a legal successor, or otherwise be deemed a successor to the Sellers (other than with respect to any obligations as an assignee under the Purchased Contracts arising after the Closing); (b) have, *de facto* or otherwise, merged with or into the Sellers; or (c) be an alter ego or a mere continuation or substantial continuation of the Sellers or the enterprise(s) of the Sellers, including, without limitation, within the meaning of any foreign, federal, state or local revenue law, pension law, the Employee Retirement Income Security Act, the Consolidated Omnibus Budget Reconciliation Act ("**COBRA**"), WARN (defined below), CERCLA (defined below), the Fair Labor Standard Act, Title VII of the Civil Rights Act of 1964 (as amended), the Age Discrimination and Employment Act of 1967 (as amended), the Federal Rehabilitation Act of 1973 (as amended), the National Labor Relations Act, 29 U.S.C. § 151, *et seq.*, environmental liabilities, debts, claims or obligations arising from conditions first existing on or prior to Closing (including, without limitation, the presence of hazardous, toxic, polluting, or contaminating substances or wastes), which may be asserted on any basis, including, without limitation, under CERCLA, any liabilities, debts or obligations of or required to be paid by the Debtor for any taxes of any kind for any period, labor, employment, or other law, rule or regulation (including, without limitation, filing requirements under any such laws, rules or regulations), or under any products liability law or doctrine with respect to the Sellers' liability under such law, rule or regulation or doctrine.

17. Other than as expressly set forth in the APA and this Order with respect to Permitted Encumbrances and Assumed Liabilities, the Purchaser shall not have any responsibility for (a) any liability or other obligation of the Debtor or related to the Acquired

Assets or (b) any Claims against the Debtor or any of its predecessors or affiliates. The Purchaser shall have no liability whatsoever with respect to the Sellers' (or their predecessors' or affiliates') respective businesses or operations or any of the Sellers' (or their predecessors' or affiliates') obligations (as described herein, "**Successor or Transferee Liability**") based, in whole or part, directly or indirectly, on any theory of successor or vicarious liability of any kind or character, or based upon any theory of antitrust, environmental, successor or transferee liability, *de facto* merger or substantial continuity, labor and employment or products liability, whether known or unknown as of the Closing, now existing or hereafter arising, asserted or unasserted, fixed or contingent, liquidated or unliquidated, including liabilities on account of any taxes arising, accruing or payable under, out of, in connection with, or in any way relating to the operation of the Acquired Assets prior to the Closing. The Purchaser shall have no liability or obligation under the WARN Act (29 U.S.C. §§ 2101 et seq.) ("**WARN**") or the Comprehensive Environmental Response Compensation and Liability Act ("**CERCLA**"), or any foreign, federal, state or local labor, employment, or environmental law whether of similar import or otherwise by virtue of the Purchaser's purchase of the Acquired Assets or assumption of the Assumed Liabilities by the Purchaser.

**Good Faith; Arms' Length Sale**

18. The APA has been negotiated and executed, and the Transactions contemplated by the APA are and have been undertaken, by Sellers, the Purchaser and their respective representatives at arms' length, without collusion and in "good faith," as that term is used in section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization provided herein to consummate the sale shall not affect the validity of the Transactions (including the assumption and assignment of the Purchased Contracts), unless such authorization and consummation of the sale are duly and properly stayed pending such appeal.

The Purchaser is a good faith purchaser within the meaning of section 363(m) of the Bankruptcy Code and, as such, are entitled to the full protections of section 363(m) of the Bankruptcy Code.

19. None of the Sellers or the Purchaser has engaged in any conduct that would cause or permit the APA or the Transactions to be avoided, or damages or costs, to be imposed, under section 363(n) of the Bankruptcy Code. The consideration provided by the Purchaser for the Acquired Assets under the APA is fair and reasonable, and the Transactions may not be avoided under section 363(n) of the Bankruptcy Code.

**Assumption and Assignment of Purchased Contracts**

20. Pursuant to sections 105(a) and 365 of the Bankruptcy Code, the Debtor is authorized and directed to assume and assign to the Purchaser each of the Purchased Contracts upon the Closing of the Transactions, free and clear of all Liens (other than the Permitted Encumbrances and the Assumed Liabilities). The payment of the Cure Costs by the Purchaser under the APA and this Order (a) cures all monetary defaults existing thereunder as of the Closing Date; (b) compensates the applicable non-Debtor counterparties for any actual pecuniary loss resulting from such default; and (c) together with the assumption of the Purchased Contracts by the Debtor and the assignment of the Purchased Contracts to the Purchaser, constitutes adequate assurance of future performance thereof.

21. To the extent that any counterparty to a Purchased Contract did not timely file a Contract Objection by the Contract Objection deadline except for the Additional Parties, such counterparty is deemed to have consented to (i) the assumption and assignment of Purchased Contracts pursuant to the terms of this Order; and (ii) the proposed Cure Cost set forth on the Contract Notice.

22. Any provision in any Purchased Contract that prohibits or conditions the assignment of such Purchased Contract or allows the non-Debtor counterparty to such Purchased

Contract to impose any penalty, fee, rent increase, profit sharing arrangement or other condition on renewal or extension, or to modify any term or condition upon the assignment of such Purchased Contract, constitutes an unenforceable anti-assignment provision that is void and of no force and effect in connection with the Transactions. All other requirements and conditions under sections 363 and 365 of the Bankruptcy Code for the assumption by the Debtor and assignment to the Purchaser of the Purchased Contracts have been satisfied. Upon the Closing, in accordance with sections 363 and 365 of the Bankruptcy Code, the Purchaser shall be fully and irrevocably vested with all right, title and interest of the Debtor under the Purchased Contracts, and such Purchased Contracts shall remain in full force and effect for the benefit of the Purchaser.

23. Upon the Closing, the Purchaser shall be deemed to be substituted for the Debtor as a party to the applicable Purchased Contracts, and the Debtor and its estates shall be released, pursuant to section 365(k) of the Bankruptcy Code, from any liability under the Purchased Contracts occurring after such assignment.

24. Each non-Debtor counterparty to a Purchased Contract is forever barred, estopped, and permanently enjoined from asserting against the Debtor or the Purchaser or their respective property (including, without limitation, the Acquired Assets) in connection with this transaction (i) any assignment fee, acceleration, default, breach or claim or pecuniary loss, or condition to assignment existing, arising or accruing as of the Closing Date or arising by reason of the Closing, including any breach related to or arising out of change-in-control in such Purchased Contracts, or any purported written or oral modification to the Purchased Contracts; or (ii) any claim, counterclaim, defense, breach, default, condition, setoff or other claim asserted or

capable of being asserted against the Debtor existing as of the Closing Date or arising by reason of the Closing, except for the Permitted Encumbrances and the Assumed Liabilities.

25. Other than the Purchased Contracts or as otherwise expressly set forth in the APA, the Purchaser assumed none of the Sellers' other contracts or leases and shall have no liability whatsoever thereunder.

26. Nothing in the Motion or this Order shall be deemed or construed as a waiver of any claims or causes of action that the Debtor or the Purchaser have or may have against a non-Debtor counterparty to any Purchased Contract, whether or not such claims arise under, are related to the assumption of or are independent of the Purchased Contracts.

27. As soon as practicable, the Debtor shall file a notice of cure obligations for the executory contract with each Additional Party that will include a description of the contract to be assumed and assigned under the APA, and the amount, if any, the Debtor believes is necessary to cure such agreement pursuant to section 365 of the Bankruptcy Code (the "**Additional Cure Costs**"). The Debtor shall serve the notice on the Additional Parties by e-mail or overnight delivery. Objections to (a) the Additional Cure Costs set forth in the notice and (b) the assumption and assignment of the contracts with the Additional Parties, must be in writing, state the basis of such objection with specificity and be filed with the Court and be actually received on or before 4:00 p.m. (CT) on February 22, 2016 by (i) counsel to ITS Engineered Systems, Inc, Gray Reed & McGraw, P.C., 1601 Elm Street, Suite 4600, Dallas, Texas 75201, Attn: Mike W. Bishop; (ii) counsel to Diverse Energy Systems, LLC, Forshey & Prostok, LLP, 777 Main, Suite 1290, Fort Worth, Texas 76102, Attn: Bobby Forshey; and (iii) counsel to the Purchaser, Jones Day LLP, 2727 N. Harwood Street, Dallas, Texas 75201, Attn: Michael P. Considine.

28. Unless an objection to the assumption and assignment of the executory contracts of the Additional Parties is timely and served, the Additional Parties shall (a) be forever barred from objecting to the Additional Cure Costs and from asserting any additional cure or other amounts with respect to its executor contract, and the Debtor and the Purchaser shall be entitled to rely solely upon the Additional Cure Cost; (b) be deemed to have consented to the assumption and assignment and (c) be forever barred and stopped from asserting or claiming against the Debtor or the Purchaser that any additional amounts are due or other defaults exist, that conditions to assignment must be satisfied under the executory contracts or that there is any objection or defense to the assumption and assignment of such contracts.

29. If an Additional Party files an objection asserting a cure amount higher than the proposed Additional Cure Costs, then such objection shall be heard at the Cure Hearing, unless the Additional Party and the Purchaser are able to consensually resolve the dispute prior to the Cure Hearing.

#### **Other Provisions**

30. The requirements set forth in Bankruptcy Rules 6003(b), 6004 and 6006 have been satisfied or otherwise deemed waived.

31. The Purchaser shall not be required to seek or obtain relief from the automatic stay under section 362 of the Bankruptcy Code to give any notice permitted by the APA or to enforce any of its remedies under the APA or any other sale-related document. The automatic stay imposed by section 362 of the Bankruptcy Code is modified solely to the extent necessary to implement the preceding sentence; provided however, that this Court shall retain exclusive jurisdiction over any and all disputes with respect thereto.

32. The provisions of this Order and the APA are non-severable and mutually dependent.

33. The APA and any related agreements, documents or other instruments may be modified, amended or supplemented by the parties thereto and in accordance with the terms thereof, without further order of the Court; provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor's estates.

34. The Court shall retain exclusive jurisdiction to, among other things, interpret, implement, and enforce the terms and provisions of this Order and the APA, all amendments thereto and any waivers and consents thereunder and each of the agreements executed in connection therewith to which the Debtor is a party or which has been assigned by the Debtor to the Purchaser, and to adjudicate, if necessary, any and all disputes concerning or relating in any way to the Transactions. This Court retains jurisdiction to compel delivery of the Acquired Assets, to protect the Purchaser and its assets, including the Acquired Assets, against any Liens and Successor and Transferee Liability and to enter orders, as appropriate, pursuant to sections 105(a), 363 or 365 (or other applicable provisions) of the Bankruptcy Code necessary to transfer the Acquired Assets and the Purchased Contracts to the Purchaser.

35. As provided by Bankruptcy Rules 7062 and 9014, the terms and conditions of this Order shall be effective immediately upon entry and shall not be subject to the stay provisions contained in Bankruptcy Rules 6004(h) and 6006(d) or any similar rule that would delay the effectiveness of this Order. Time is of the essence in closing the sale and the Debtor and Purchaser intend to close the sale and consummate the Transactions as soon as possible. Therefore, any party objecting to this Order must exercise due diligence in filing an appeal and pursuing a stay or risk their appeal being foreclosed as moot.

36. This Order and the APA shall be binding in all respects upon all creditors of (whether known or unknown), and holders of equity interests in, any Seller, any holders of Liens

in, against or on all or any portion of the Acquired Assets, all non-Debtor counterparties to the Purchased Contracts, all successors and assigns of the Purchaser, the Sellers and their affiliates and subsidiaries and any subsequent trustee appointed in these chapter 11 cases or upon a conversion to chapter 7 under the Bankruptcy Code, and shall not be subject to rejection. Nothing contained in any chapter 11 plan confirmed in these chapter 11 cases, any order confirming any such chapter 11 plan or any order approving wind-down or dismissal of these chapter 11 cases or any subsequent chapter 7 cases shall conflict with or derogate from the provisions of the APA or this Order, and to the extent of any conflict or derogation between this Order or the APA and such future plan or order, the terms of this Order and the APA shall control.

37. To the extent any provisions of this Order conflict with, or are otherwise inconsistent with, the terms and conditions of the APA or the Bidding Procedures Order, this Order shall govern and control.

## **ASSET PURCHASE AGREEMENT**

THIS ASSET PURCHASE AGREEMENT ("Agreement") is entered into effective as of January 20, 2016, by and among Diverse Energy Systems, LLC, a Texas limited liability company ("Diverse Texas"), Diverse Energy Systems, LLC, d/b/a Lean Technologies, LLC, a North Dakota limited liability company ("Diverse"), Scribner Industries, Inc., a Texas corporation ("Scribner"), Rouly, Inc., a New Mexico corporation ("Rouly"), ITS Engineered Systems, Inc., a Delaware corporation ("ITS"), and Cimarron Acquisition Co., a Delaware corporation ("Purchaser"). Diverse Texas, Diverse, Scribner, Rouly, and ITS are each referred to herein as a "Seller," and collectively as "Sellers." Sellers and Purchaser are sometimes hereinafter collectively referred to as the "Parties" and individually as a "Party."

### **RECITALS**

A. Sellers are in the business of fabricating, distributing and marketing various oilfield equipment (the "Business"). Sellers wish to sell, and Purchaser wishes to purchase, certain of the assets of Sellers upon the terms and subject to the conditions set forth in this Agreement.

B. On April 17, 2015, ITS filed a voluntary petition for relief pursuant to Chapter 11 of Title 11 of the United States Code, 11 U.S.C. sections 101 *et seq.* ("Bankruptcy Code"), commencing Case No. 15-32145 ("ITS Case") in the United States Bankruptcy Court for the Southern District of Texas ("Bankruptcy Court").

C. On September 7, 2015, the following entities (sometimes hereinafter collectively referred to as the "Diverse Debtors"), each filed voluntary petitions for relief pursuant to the Bankruptcy Code in the Bankruptcy Court commencing the following bankruptcy cases (collectively the "Diverse Cases"):

- (i) Diverse Texas, Case no. 15-34736;
- (ii) Scribner, Case no. 15-34736;
- (iii) Diverse, Case no. 15-34738; and
- (iv) Rouly, Case no. 15-34739.

The Diverse Cases have been administratively consolidated under the Diverse Texas case.

D. Sellers all continue to operate as debtors and debtors-in-possession pursuant to Chapter 11 of the Bankruptcy Code. Sellers desire to sell, transfer and assign to Purchaser, and Purchaser desires to acquire from Sellers, pursuant to Section 363 of the Bankruptcy Code, the Acquired Assets (as defined below), all at the price, and on the terms and conditions, as more specifically provided in this Agreement. The

Acquired Assets will be transferred to Purchaser free and clear of all Liens, claims and interests except as expressly set forth herein.

E. Each Seller has determined that it is advisable and in the best interests of its estate and the beneficiaries of its estate to seek approval of this transaction from the Bankruptcy Court and to consummate the transactions provided for herein.

F. Both ITS and the Diverse Debtors have obtained approval from the Bankruptcy Court of a joint sale procedure. On November 19, 2015, the Bankruptcy Court entered in the ITS Case an *Order Granting Debtor's Motion to Establish Bid Procedures and to Sell Certain Assets of the Estate Free and Clear of Liens, Claims, Encumbrances and Other Interests Pursuant to 11 U.S.C. § 363 and to Assume and Assign Executory Contracts and Leases (Dkt. No. 259)* as supplemented by docket no. 281 ("ITS Sales Procedures Order") approving a sales procedure for the assets of ITS. On the same day, the Bankruptcy Court entered in the Diverse Cases an *Order Granting Debtors' Motion to Establish Bid Procedures and to Sell Certain Assets of the Estate Free and Clear of Liens, Claims, Encumbrances and Other Interests Pursuant to 11 U.S.C. § 363 and to Assume and Assign Executory Contracts and Leases (Dkt. No. 212)* as supplemented by docket no. 265 ("Diverse Sales Procedures Order") approving a sales procedure for the assets of Diverse and Rouly. The ITS Sales Procedure Order and the Diverse Sales Procedures Order dovetail and provide for a sale of the assets of ITS, Diverse and Rouly as a part of a single sales procedure. This Agreement is executed in accordance with the ITS Sales Procedure Order and Diverse Sales Procedures Order.

G. National Oil Well Varco, L.P. ("NOV") is a secured lender to the Diverse Debtors. Purchaser has reached agreement with NOV that, contemporaneously with the Closing, Purchaser will acquire any claims that NOV has to equipment that is held by the Diverse Debtors and claims of NOV against Sellers.

H. Fountain Leasing 2013 LP ("Fountain") is a secured lessor to the Diverse Debtors. Purchaser has reached agreement with Fountain that, contemporaneously with the Closing, Purchaser will acquire from Fountain the equipment that Fountain currently leases to the Diverse Debtors, and as a result the Diverse Debtors will reject the Master Lease Agreement, dated February 12, 2014, between Diverse and Fountain, along with any schedules or other Contracts relating thereto.

I. Nations Fund I, LLC ("Nations") is a secured lessor to the Diverse Debtors. Purchaser has reached agreement with Nations that, immediately prior to the Closing, the parties will amend and restate (the "Amended and Restated Agreement") the Master Lease Agreement (and any schedules thereunder), dated December 29, 2014, between Diverse and Nations. The Amended and Restated Agreement will become effective at the Closing, and will be assigned to and assumed by Purchaser.

J. Grand Bank of Texas ("Grand") is a secured lessor to the Diverse Debtors. Purchaser has reached agreement with Grand that, contemporaneously with the Closing, Purchaser will acquire from Grand the equipment that Grand currently leases,

indirectly through Integral Equipment Leasing, LLC, to the Diverse Debtors, and as a result the Diverse Debtors will reject the Master Lease Agreement, between Diverse and Integral Equipment Leasing, LLC, along with any schedules or other Contracts relating thereto.

NOW, THEREFORE, in consideration of the mutual covenants and agreements set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties do hereby agree as follows:

The Bankruptcy Sale Orders (i) shall have been entered in both the ITS Case and the Diverse Cases in form and substance reasonably acceptable to Sellers, (ii) shall not be subject to a stay as of the date of Closing, and (iii) shall provide such other relief as may be reasonably necessary or appropriate to allow the consummation of the transactions contemplated by this Agreement.

(c) No Prohibition or Injunction. No provision of any applicable law and no order or proceeding shall be in effect that shall prohibit or restrict the consummation of the Closing, or that is reasonably likely to cause a material adverse change to any of the Acquired Assets or to cause Purchaser or any of its affiliates to suffer any material adverse consequence under any applicable legal requirement or order.

(d) Release of Claims. Purchaser shall deliver to Sellers evidence of the release of any claims against Sellers and Sellers' respective bankruptcy estates from each of NOV, Fountain and Nations, or Purchaser as assignee of any such parties, in each case, with respect to their respective agreements described in Recitals G, H and I.

(e) Purchaser shall pay to Sellers at Closing an amount equal to the amount estimated by Sellers to be collected by Purchaser subsequent to the Closing for sales taxes owing to various taxing authorities relating to pre-Closing invoices issued by a Seller to a customer. The funds received by Seller pursuant to the terms of this paragraph shall be held in trust by Sellers for the payment of sales taxes owing to various taxing authorities. In the event the estimated payment made to Sellers pursuant to this paragraph exceed the actual tax amounts owing, such excess shall be promptly returned to Purchaser.

(f) Deliverables. Purchaser shall have delivered, or caused to be delivered, to Sellers all of the items set forth in Section 2.5(d).

## **ARTICLE VII. - OTHER AGREEMENTS**

**Section 7.1 Employees.** Purchaser (or an affiliate of Purchaser), at its sole discretion, may desire to hire or employ certain employees of Sellers, on or after the Closing Date. Any such employee that accepts such employment, a "Transferred Employee." Sellers shall terminate all employees who are offered employment by Purchaser (or an affiliate of Purchaser) effective as of the Closing Date or at such other time as may be agreed between the Parties. Sellers agree that Purchaser retains sole and complete discretion with respect to which employees of Sellers to which Purchaser (or an affiliate of Purchaser) will offer employment. Sellers shall be solely responsible for any obligations and liabilities related in any way to any termination of any of Sellers' employees from employment with Sellers occurring prior to or after the date of this Agreement, whether or not in connection with the transaction contemplated hereby. Sellers shall be solely responsible for all liabilities for employee or independent contractor compensation and benefits accrued or otherwise arising out of services rendered by its employees, directors and independent contractors prior to the Closing Date or arising by reason of actual, constructive, or deemed termination of their service relationship with Sellers at Closing, including all costs relating to the continuation of health benefits with respect to employees not hired by Purchaser after the Closing Date.

**Section 7.2 Casualty and Insurance.** In the event all or any one of the Acquired Assets is damaged or destroyed prior to the Closing Date, Purchaser shall have the option to either: (a) exclude the damaged Acquired Asset from this Agreement and reduce the Purchase Price by an amount equal to the value of the Acquired Asset, in

which event the applicable Seller will retain any applicable insurance proceeds; or (b) apply the insurance proceeds for the damaged Acquired Assets to be assigned from Sellers to Purchaser, and proceed with the transaction. Sellers agree to maintain insurance on all of the Acquired Assets up to the Closing Date and to reasonably assist Purchaser to obtain insurance coverage on the Acquired Assets after the Closing Date. The risk of loss on the Acquired Assets remains on Sellers until the Closing.

**Section 7.3 Reservation of Rights Amongst Sellers Regarding Certain Asset Ownership.** Notwithstanding anything seemingly to the contrary contained in this Agreement, ITS and the Diverse Debtors, and their respective bankruptcy estates, reserve any and all rights, claims and arguments by and amongst them regarding the allocation of Purchase Price.

**Section 7.4 Release.** In consideration for the Purchase Price, as of and following the Closing Date, each Seller, on its own behalf and on behalf of its affiliates, knowingly, voluntarily and unconditionally releases and forever discharges any Transferred Employee from or for any and all claims, causes of action, demands, suits, liabilities, damages, losses, costs and expenses (including attorneys' fees) of every kind or nature whatsoever, known or unknown, actual or potential, suspected or unsuspected, fixed or contingent, that such Seller has or may have, now or in the future, arising out of, relating to, or resulting from any act or omission, error, negligence, breach of contract, tort, violation of law, matter or cause whatsoever from the beginning of time to the Closing Date to the extent related to the operations of the Business of Sellers or the Acquired Assets expressly excluding claims or causes of action for fraud, theft or other intentional misconduct (a "Potential Claim"). Each Seller hereby (a) expressly waives all provisions of, and rights and benefits conferred by any law that provides that a general release does not extend to claims that are unknown or unsuspected to the releasor at the time the releasor executes the release and (b) irrevocably covenants to refrain from asserting any Potential Claim, or commencing, instituting or causing to be commenced, any Legal Proceeding against Purchaser or such released individuals, or any of their respective affiliates, in any forum whatsoever (including any administrative agency).

## **ARTICLE VIII. - BANKRUPTCY**

**Section 8.1 Bankruptcy Court Approval.** Sellers and Purchaser acknowledge that this Agreement and the sale of the Acquired Assets are subject to Bankruptcy Court approval in the Bankruptcy Sale Orders.

**Section 8.2 Commercially Reasonable Efforts.** Sellers and Purchaser agree to use commercially reasonable efforts to do such acts and things and to execute and deliver such agreements and instruments and to take all such actions as may reasonably be required to consummate, evidence, confirm or obtain the Bankruptcy Court approval of the sale of the Acquired Assets in accordance with the terms of this Agreement, subject to higher and/or better Competing Transactions.

**Section 8.3 Bankruptcy Sale Orders.** The Bankruptcy Sale Orders shall be in form and substance reasonably acceptable to both Sellers and Purchaser approving and

authorizing Sellers to consummate this Agreement and the transactions contemplated by this Agreement, including the sale of the Acquired Assets to Purchaser free and clear of all Liens other than Permitted Encumbrances. Purchaser agrees that it will promptly take such actions as are reasonably requested by Sellers to assist in obtaining entry of the Bankruptcy Sale Orders, including furnishing affidavits or other documents or information for filing with the Bankruptcy Court for the purposes, among others, of providing necessary assurances of performance by Purchaser and demonstrating that Purchaser is a “good faith” purchaser under Section 363(m) of the Bankruptcy Code. Sellers shall use their reasonable best efforts to obtain a ruling that the Bankruptcy Sale Order is immediately effective notwithstanding the provisions of Rules 6004(h) and 6006(d) of the Federal Rules of Bankruptcy Procedure.

## **ARTICLE IX. - TERMINATION**

**Section 9.1 Termination Events.** This Agreement may, by notice given prior to or at the Closing, be terminated:

(a) Mutual Termination. Purchaser and Sellers may terminate this Agreement (i) by mutual written consent or (ii) by notice to the other Parties if the Closing has not occurred by 6:00 p.m. central time on January 29, 2016.

(b) Automatic Termination. This Agreement shall terminate automatically without any action or notice by Sellers to Purchaser or Purchaser to Sellers immediately upon: (i) the issuance of a final and non-appealable Order by a Governmental Body to restrain, enjoin, or otherwise prohibit the transfer of the Acquired Assets, to Purchaser as contemplated by this Agreement; or (ii) the closing of a Competing Transaction.

(d) Termination by Sellers. Sellers may terminate this Agreement if (i) the Bankruptcy Court dismisses or converts the Bankruptcy Cases pursuant to sections 1112(b) or 305(a) of the Bankruptcy Code, or (ii) there has been a material breach or

violation by Purchaser of a material representation, warranty, or covenant contained in this Agreement.

**Section 9.2 Effect of Termination.** In the event Sellers default under this Agreement, Purchaser may elect to enforce specific performance of this Agreement as opposed to terminating this Agreement. If this Agreement is terminated for any reason other than pursuant to Section 9.1(d)(ii), the Trust Deposit shall be returned to Purchaser, and this Agreement shall terminate and be of no further force and effect. Purchaser shall have no other or further claim against Sellers, including for any damages for loss of its bargain or expenses incurred by Purchaser in connection with this Agreement. If this Agreement is terminated pursuant to Section 9.1(d)(ii), Sellers shall retain the Trust Deposit as its sole and exclusive remedy as against Purchaser.

No assignment of this Agreement or of any rights or obligations hereunder may be made by any Seller or the Purchaser (by operation of law or otherwise) without the prior written consent of the other Parties and any attempted assignment without the required consents will be void; provided, however, that Purchaser may assign some or all of its rights or delegate some or all of its obligations hereunder to one or more wholly-owned subsidiaries formed by it prior to the Closing.

**Section 10.5 Severability.** In the event any provision of this Agreement is found to be void and unenforceable by a court of competent jurisdiction, the remaining provisions of this Agreement shall nevertheless be binding upon the Parties with the same effect as though the void or unenforceable part had been severed and deleted.

This Agreement can be amended, supplemented or changed, and any provision hereof can be waived, only by written instrument making specific reference to this Agreement signed by the Party against whom enforcement of any such amendment, supplement, modification or waiver is sought. No action taken pursuant to this Agreement, including any investigation by or on behalf of any Party, will be deemed to constitute a waiver by the Party taking such action of compliance with any representation, warranty, covenant or agreement contained in this Agreement. No failure on the part of any Party to exercise, and no delay in exercising, any right, power or remedy hereunder will operate as a waiver thereof, nor will any single or partial exercise of such right, power or remedy by such Party preclude any other or further exercise thereof or the exercise of any other right, power or remedy. All remedies hereunder are cumulative and are not exclusive of any other remedies provided by law.
